## PGA JR League

PGA JR League is changing the way golf is learned and played through its fun, team-oriented approach. Girls and boys of all skill levels learn and play the game with expert coaching and guidance from PGA Staff at Braemar Golf Course. Players will compete on teams with friends in a two-person scramble format that encourages mentorship and builds confidence.

The Braemar PGA JR League players receive six one-hour team practices (dates and times TBD) and six regular matches held within the league. The program runs June 5 through July 29 with matches held on Saturday mornings. Coaches set their own practice schedules. Cost is \$349. Register directly with the PGA at [pgajrleague.com](http://pgajrleague.com).
